

Joint TCES // CDT Conference 2024

Sponsorship Packages

University of Glasgow, 19th – 21st June 2024

The 2024 Tissue and Cell Engineering Society Conference will be hosted by the Centre for the Cellular Microenvironment (CeMi) at the University of Glasgow by Prof Matthew Dalby and Prof Manuel Salmeron-Sanchez with Michelle Carmichael and Aimee Soare (lifETIME Centre for Doctoral Training) and Claire Carberry (CeMi). This year the conference will again be combined with the Engineering and Physical Sciences Research Council (EPSRC) Centres for Doctoral Training (CDT).

The Joint TCES and CDT Conference will take place over three days from 19th – 21st June 2024. The event will have in person presentations from International and UK keynote speakers in the cell and tissue engineering field with themes crossing the multiple areas such as bioengineered models, mechanobiology, enabling technologies and biomaterials.

The conference is always of a high standard and research at the interface of biology, chemistry, physics, engineering and medicine is presented. The Society has provided a forum for UK research groups to share research ideas and has contributed to the development of a strong and friendly field in all aspects of cell and tissue engineering.

The conference will start with a CDT session on the morning of 19th June followed by TCES themed sessions running from the afternoon on 19th June to the afternoon on 21st June 2024. During each session there will be keynote talks and presentations from early career researchers and academics across the various themes. There will also be posters and flash talks from early year students. On the evening on the 19th June there will be a social event and buffet at the University of Glasgow. The conference dinner and Scottish ceilidh will take place on the evening on 20th June at Glasgow Grosvenor Hotel.

The TCES annual conference will provide an audience for companies wishing to publicise their products to the UK cell and tissue engineering market. The audience will consist of a range of researchers from those in the early stages of their careers (postgraduate students and postdoctoral researchers) to academics and researchers based within industry. With a multidisciplinary audience this is an excellent opportunity for you to advertise your research products to the end-user.

We would therefore like to invite you to sponsor our event. A summary of the types of sponsorship available are highlighted below, however, we would be happy to discuss any alternatives that you would like to propose.

Standard exhibitor package - £950 for 3 days

Includes:

- Exhibition space in the poster, coffee and lunch area.
- Access to the conference – One free conference registration incl. coffee, tea, lunch and social event on the 19th plus additional exhibitor fee at £100/day w/coffee, tea and lunch.
- Logo included on the conference website.

Premium exhibitor package - £1050 for 3 days

Includes standard exhibitor package plus:

- Allocated 5-minute flash talk within the programme.
- Logo included on the conference holding slides the conference.
- Advertisement on programme.

Gold exhibitor package - £1250 (4 available)

Includes premium exhibitor package for 3 days plus:

- Sponsorship for either the welcome drinks at the conference dinner or the welcome drinks at the poster networking session or the lunch on either day.
- Advertisement at the sponsored venue (pull-up banner provided by the company).

Further sponsoring opportunities which can be an add-on or a standalone to the packages:

Poster Competition Prize: £450 (1 available)

- Presentation of poster prize
- Company logo on conference marketing materials (programme, conference website, conference slide)

Flash Talk Competition Prize: £450 (1 available)

- Presentation of the poster flash talk prize
- Company logo on conference marketing materials (programme, conference website, conference slide)

Oral Competition Prize: £450 (1 available)

- Presentation of oral prize
- Company logo on conference marketing materials (programme, conference website, conference slide)

Image Competition Prize: £150 (1 available)

- Presentation of oral prize
- Company logo on conference marketing materials (programme, conference website, conference slide)

Sponsorship Raffle:

We would welcome gift donations for the sponsorship raffle competition. All attendees can enter the raffle by collecting all sponsorship signatures after discussions with the company. Any donations from sponsors would be welcomed.

Please contact Michelle Carmichael (lifetime-cdt@glasgow.ac.uk) if you would like to sponsor the Joint TCES and CDT Conference or to discuss any sponsorship alternatives.
